Dear Member:

Thank you for the support your community, a valued member of the National League of Cities, has given our organization.

NLC membership dues for 2005 increased by 4%; the enclosed invoice for the period **January 1, 2005 to December 31, 2005** reflects the increase. (NLC dues are scaled to population.)

NLC is the oldest (nearly 80 years), largest, and most representative national organization serving local governments. As your collective voice in the Nation's Capital, NLC depends on your support to ensure the passage of national legislation and the adoption of federal policies favorable to local governments of all sizes, on the issues that concern you most. Membership in NLC also gives your community's elected and top appointed officials the opportunity to tap the experience and ability of municipal leaders nationwide and to access the resources and information necessary for making sound decisions.

If you have any questions about renewing your community's NLC membership or about how to become more involved in NLC, I invite you to contact our Membership Department at (202) 626-3190 or visit our recently expanded website, www.nlc.org.

We look forward to your continued support and the opportunity to serve you in the months and years ahead.

Very truly yours,

Donald J. Borut
Executive Director
